

# My Everything

Billy Ray Cyrus

Oh, how I love you and I always will  
Forever and ever till times standing still  
Know that youre with me like the air that I breathe  
And Ill be beside you and fight for your [Incomprehensible]Cause you are my everything  
Everything I am because of you  
You are my sunshine, my wind and my rain  
You are my everythingAll of my sorrows has been washed away  
All my tomorrows are with you today  
If someone would ask me, Son, what is your dream?  
Id show them your picture and smile that it'd bringCause you are my everything  
Everything I am because of you  
You are my sunshine, my wind and my rain  
You are my everythingYou are my everything  
You are my everything  
My everything
