

Seeing Red

Minor Threat

You see me and you laugh out loud
You taunt me from safe inside your crowd
My looks, they must threaten you
To make you act the way you doRed, I'm seeing red
I'm seeing red
I'm seeing red
I'm seeing redYou see me and you think I'm a jerk
First impressions without a word
You can't believe your eyes at first
But now you know you've seen the worstRed, I'm seeing red
I'm seeing red
I'm seeing red
I'm seeing red
