

Somewhere In Glory

The Franz Family

Preaching by the roadside unde a tree
Folks came along made a mock of me
Some say we're crazy assuming our faith
Now we have churches in every state

[chorus]

Somewhere in glory you'll find me
You'll find me, yes you'll find me
Somewhere in glory you'll find me
Singing and a shouting through out eternity

if you get there before I do
Tell all my friends that I'm coming too
I'll be there watching wating for you
Come around and sing any crazy too

[chorus]

While I'm traveling over the sun
My home is wating at the right hand of God
Angels are holding robe and a crown
Gabriel is wating his trumpet to sound

[chorus 2x]
