

Headphones (Almighty Extended Mix)

[LeAnn Rimes](#)

I love to sit and watch you work the room
You could have anyone you want to
But I know, you know you're going home with me Just when I think I've got you figured out
You spin me faster than the speed of sound
I know, you know it makes me want you more
Makes me want you more Boy, you're turning me on
I wanna be the bed that you'll be laying on
Yeah, I wanna be your's, your anything and everything
I wanna be that song comin' that's through your headphones Just like the purple ink in your tattoo
Well, that's how close I want to be to you
Under your skin I'm playing in your head
Playing in your head Am I turning you on?
I wanna be the bed that you'll be laying on
Yeah, I wanna be your's, your anything and everything
I wanna be that song that's coming through your headphones I'd let my world revolve around you
I'd whisper sweet things in your ear
I've never loved but I'm about to
Can't you feel us going there Am I turning you on?
I wanna be the bed that you'll be laying on
Yeah, I wanna be your's, your anything and everything
I wanna be that song that's coming through your headphones
That's coming through your headphones
