Chasing The Dream

Alex Kassel

This ainÂ't about where you have been
It is about where you wanna be
And all those things you spend working
Now you are still on your feet
You can bring what you want
Take a minute to breath
Baby I canÂ't wait forever if you are coming with me

Chorus
Hurry cause I am never turning back
I am on my way to the place
You can follow me my lead
It is a journey
But we are never coming back
And itÂ's you and itÂ's me
Making love as weÂ're casing the dream
as weÂ're casing the dream

And now more and more baby you are taking my speed
and everything you thought impossible is right in your reach
you can have what you need when you are chasing the dream
and nothing hold you back to get you from where you wanna be

Chorus
Hurry cause I am never turning back
I am on my way to the place
You can follow me my lead
It is a journey
But we are never coming back
And itÂ's you and itÂ's me
Making love as weÂ're chasing the dream
as weÂ're chasing the dream

This ainÂ't about where you have been
It is about where you wanna be
And all those things you spend working
Now you are still on your feet
You can bring what you want
Take a minute to breath

Baby I canÂ’t wait forever if you are coming with me

Chorus
Hurry cause I am never turning back
I am on my way to the place
You can follow me my lead
It is a journey
But we are never coming back
And itÂ’s you and itÂ’s me
Making love as weÂ’re casing the dream
as weÂ’re casing the dream
as weÂ’re casing the dream
as weÂ’re casing the dream
