Capable

The Districts

If I get my check this month
I'm buying some shoes, a new umbrella only lightly used
Since the separation, my love has been unused
Can we spend the night together?I'll pick up the papers, we need to sign
Bring 'em with some wine
You could drop him at a friend of minesWe could lie once more together
You were born forever
Capable of so much love
How can I love with grace living yet separated?
Ooh ooh, ooh
How can I love with grace living yet separated?
Ooh oohIf I get my check this month
I'll buy him some shoes
And take apart my empty palace tooThis is all that we made of our vow
A curtain and a bow
A mirage of permanenceHow can I love with grace living yet separated?We could lie once more together
You were born forever
Capable of so much loveWe could lie once more together
You were born forever
Capable of so much love
We could lie once more together
You were born forever
Capable of so much loveWe could lie once more apart
Naked in the dark
Capable at heart
