Titan

Breton

Oooh... oooh...[Verse 1]
When you need me the most
When I'll be used to you for days
When you leave me the notes
Why do you leave without them
No one said you should go alone
Till you can go no further
Tell them when they sell their childhood home
Just say you barely heard them[Verse 2]
No one said you should go alone
But never have I minded
They tell you it was like that before
Whatever you decided
Trail off half way just like I always have
Stray off, part ways just like you thought you had[Refrain]
What's the rush
I know you'll never
Go back to herWhat's the rush
I know you'll never
Go back to her[Hook]
Too late
Too light
To the rate that's narrated your lifeOooh... Oooh...You traced out marks
That you don't yet have
You caved in fast
Waiting for your younger days[Refrain]
What's the rush
I know you'll never
Go back to herWhat's the rush
I know you'll never
Go back to her
