Frozen Over

Diane Birch

I don't know what
Happened to my heart
'cos I can't feel the beat
No, I can't feel the beat
I don't know what
Happened to my heart
No, I can't feel the heat
I'm frozen overLost in a dream
I don't understand
Cruel as the gleam
On a lover's blade
You say you're trying
To be a better man
But the words on your lips
Fall straight to the grave
We had it all
The thrill of the night
We danced in the madness
Lived for the fightBut I don't know what
Happened to my heart
'cos I can't feel the beat
No, I can't feel the beat
I don't know what
Happened to my heart
'cos I can't feel the heat
I'm frozen overLost in a truth that I can't deny
Cold as a stone, no
I can't even cry
Love is a flower
With wings of time
Ready to bloom
Ready to die
But we had it all
The thrill of the night
We danced in the madness
Lived for the fightBut I don't know what
Happened to my heart
'cos I can't feel the beat
No, I can't feel the beat

I don't know what
Happened to my heart
'cos I can't feel the heat
I'm frozen overThe fire is over
Holding a memory
To feel the rhythmI don't know what
Happened to my heart
'cos I can't feel the beat
No, I can't feel the beat
No, no
I don't know what happened to
My heart
No, I can't feel the heat
I'm frozen over
