Horchata (Christian TV remix)

Vampire Weekend

In December drinking horchata I'd look psychotic in a balaclava Winter's cold, is too much to handle Pincher crabs that pinch at your sandalsIn December drinking horchata Look down your glasses at that Aranciata With lips and teeth to ask how my day went Boots and fists to pound on the pavementHere comes a feeling you thought you'd forgotten Chairs to sit and sidewalks to walk onYou'd remember drinking horchata You'd still enjoy it with your foot on Masada Winter's cold, is too much to handle Pincher crabs that pinch at your sandalsHere comes a feeling you thought you'd forgotten Chairs to sit and sidewalks to walk on Oh, you had it but, oh no, you lost it Looking back, you shouldn't have fought itIn December drinking horchata I'd look psychotic in a balaclava But winter's cold is too much to handle Pincher crabs that pinch at your sandals Years go by and hearts start to harden Those palms and firs that grew in your garden Are falling down and nearing the rose beds The roots are shooting up through the tool shedThose lips and teeth that asked how my day went Are shouting up through cracks in the pavementHere comes a feeling you thought you'd forgotten Chairs to sit and sidewalks to walk on Oh, you had it but, oh no, you lost it You understood so you shouldn't have fought itHere comes a feeling you thought you'd forgotten Chairs to sit and sidewalks to walk on Here comes a feeling you thought you'd forgotten Chairs to sit and sidewalks to walk on
