You Baby

Jackie Trent

Ah, you know I've been wanting you
My whole life through
And now that you're my guy
I'm gonna live and die for only you

Baby, baby now you're gonna know
All the ways I plan to thrill you so
You're gonna see
There's a lifetime of loving me

Just for you baby
You baby, you baby
Only you
Oh, oh, only you

You have made me wait this long
Wanting your kiss
And now you're really mine
I'll make up for the time
You made us miss

Baby, baby now that it's all right
I'm gonna love and kiss you every night
You're gonna see that
I saved all the love in me

Just for you baby
You baby, you baby
Only you
Oh, oh, only you

Oooh, yes, baby
You baby, you baby
Only you
Oh, oh, only you

Oooh, nobody else is ever gonna do for me baby
You baby, you baby
Only you

Oh, oh
