

Wheels

Foo Fighters

I know what you're thinkin'
We were goin' down
I can feel the sinkin'
But then I came around And everyone I've loved before
Flashed before my eyes
And nothin' mattered anymore
I looked into the sky Well I wanted something better than
I wished for something new
And I wanted something beautiful
And wish for something true
Been lookin' for a reason and
Something to lose When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down) Know your head is spinnin'
Broken hearts will mend
This is our beginning
Coming to an end Well, you wanted something better than
You wished for something new
Well, you wanted something beautiful
Wished for something true
Been lookin' for a reason and
Something to lose When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down) When the wheels come down (When the wheels
come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down) When the wheels come down (When the wheels
come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down)
