

We Can (feat. Tory Lanez)

Kranium

[Intro]

Hmm, hmm, hmmm

Yow girl child, girl child[Verse 1: Kranium]

Gal you take man for fool

Take man for idiot

Stop, chat, jump inna the car

Make me slap that you snap back

We a do we thing cause you know seh me a no love chat

Breast them well firm plus you ass well fat gosh

You damn hot round like a race track

Waist line small, me a wonder where you get that

Me no have no time fi a waste gal

Come over me place let me tell you this straight

[Hook: Kranium]

We can fuck if you feel like you want to

And we can do the things weh you feel you need to

And we can run the place like you need fi dweet to

Cause me swear pon me life me girl seh me nah go leave you hmmm, hmmm, then again...[Verse 2: Tory Lanez]

Top down and I'm on the way now

We sippin Henny for the whole day now

She know wah me want to do

A little bit a me on you

And you know that I been rolling round

I go the round like Tyson

Know seh we heh pon a one night thing

No husband and wife thing[Hook: Kranium]

We can fuck if you feel like you want to

And we can do the things weh you feel you need to

And we can run the place like you need fi dweet to

Cause me swear pon me life me girl seh me nah go leave you hmmm, hmmm, then again...[Bridge: Kranium]

Hey no more late night texting time

For the sexing oh yea I've been seeing your body naked

And I ain't touch you yet to get you wet[Verse 3: Kranium]

Gal you take man for fool

Take man for idiot

Stop, chat, jump inna the car

Make me slap that you snap back

We a do we thing cause you know seh me a no love chat

Breast them well firm plus you ass well fat gosh

You damn hot round like a race track
Waist line small, me a wonder where you get that
Me no have no time fi a waste gal
Come over me place let me tell you this straight[Outro: Kranium]
Let me tell you this straight, oh yeah
Let me tell you this straight
Let me tell you this straight, oh baby
Let me tell you this straight
I've been waiting patiently
For your body
Calling your name
I been calling, calling your name, oh
Kranium
