Love Someone Else

Lower Than Atlantis

Incessantly expressing myself lyrically so literally
Has lead the listener to believe they have perceived the real me

But why? I'm not your average guy
There's more to me than what meets the eye

I'm feeling scared and on my own
You think you know me but you don't
I just need a place to rest and some time alone
I've tried my best to be myself
If that's not good enough, oh well
Hate me for being me or love someone else

Grow thicker skin or live within the public me, the evil twin
Without a doubt, when in or out, I should learn to take hits on the chin

But why? I'm not your average guy
There's more to me than what meets the eye

I'm feeling scared and on my own
You think you know me but you don't
I just need a place to rest and some time alone
I've tried my best to be myself
If that's not good enough, oh well
Hate me for being me or love someone else
