

# Americanos

## Holly Johnson

There's a place where a kid without a cent  
He can grow up to be president (to be president)  
A magic kingdom filled with Barbie dolls  
If you've got the time we can make it a good time.

Ah yeah.

Americanos - Blue Jeans and Chinos  
Coke, Pepsi and Oreos - Americanos.  
Movies and heroes in the land of the free  
You can be what you wanna be.

They know how to advertise  
Sell you anything at any price  
Need it or not, that's what you got, yeah.

Take no bull from anyone  
we just wanna have some fun  
We got the Queen of Soul  
created to Rock'n Roll  
(Queen of soul)  
Ah yeah!

Americanos - Blue Jeans and Chinos  
Coke, Pepsi and Oreos - Americanos.  
Low riding Chicanos in the land of the free  
You can be what you wanna be.

Satellite stations across the nation  
That's cable TV for you and me.  
Cleaning kitchens, washing pots and pans  
Everything's organized from crime to leisure time.  
High schools and swimming pools, king sharks and fools.

Americanos - Blue Jeans and Chinos  
Coke, Pepsi and Oreos - Americanos.  
Movies and heroes in the land of the free  
You can be what you wanna be.  
(Be what you wanna be)

Americanos - Blue Jeans and Chinos

Coke, Pepsi and Oreos - Americanos.  
Movies and heroes in the land of the free  
You can be what you wanna be.
