

# Perfect Day (feat. Lauren Olds)

[LZ7](#)

Yeah

Let's go!

Man, what a day, what a day

No work, no rain, no slavin' away

I rise to the sound of the songs of the birds,

and the smile of the sun on my face

eh!

I'm in the mood that's kinda contagious,

I grin, you grin, we grin-ageous

Gone, help, free the saint

Come out the cold and ignite the flame

Now we're togetha', of course i'm happy

In fact, you make, your ordinary

Swim from the soul, let's board the fariy

Hop on the train, the more the merrier

eh!
