Psychopath

Terminal Choice

You try to force me, in your direction
But I'm not the one who wants to play your game
I want to live, my own life
And I don't want you to be a part of it
You drive me crazy, with your orders
I just want to do whats best for me
I want to kill, all your skeptics
The time will come I'll show you my successOne day I'll raise my power
This is my revenge
I am your executor
Your life is in my handsYou drive me crazy, with your orders
I just want to do whats best for me
I want to kill, all your skeptics
The time will come I'll show you my success
But if you want to change me, there is no way
You better not try to silence a psychopathOne day I'll raise my power
This is my revenge
I am your executor
Your life is in my hands
