

# The Rumble Tummy Rhumba

Robyn Archer

.....

Have you ever heard, that distant soundâ€!

\*Reeoowwrreeoowwrrgggâ€!\*

Itâ€™s deep, and echoey, and loudâ€!

\*Rrooaarrâ€!\*

Sometimes after lunch it comesâ€!

And sometimes when youâ€™ve eaten noneâ€!

It just starts off, without a warningâ€!

After noon, or after bed or mooooorniingâ€!

The Rumble Tummy Rhumba, is a most mysterious mamba, it rolls!

\*Rruuurrrirgggâ€!.\*

It gurgles!

\*Rrburburburburrrâ€!!\*

It SIIIINGS, it yohohohohodlesâ€!

The Rumble Tummy Rhumba is different every time!

Would you like to listen to mine?

Have you sat amongst, a quiet crowd?

\*Rrrrrrrrrggâ€!.\*

And your insides acting rather loud?

\*Rehererrgg!\*

Some people have to turn and stareâ€!

â€and some, pretend it isnâ€TMt there!

It just happens, without a warningâ€!

When youâ€TMre smiling, or frowning, or yawwwwnnniiinnnggâ€!

The Rumble Tummy Rhumba is a most mysterious mamba!

It rolls!

\*Rrrooowrrroowrrrgggâ€!.\*

It gurgles!

\*Yukhheheheâ€!!\*

It SIIIINGS, it yohohohohodlesâ€!

The Rumble Tummy Rhumba is different every time!

Would you like to listen, to mine?

\*Gruuurrggâ€!\*

The Rumble Tummy Rhumba is a most mysterious mamba, it rolls!

\*Yeahouuurrrgggâ€!\*

It gurgles!

\*Rrrurruurrgggrrrggâ€!.\*

It SIIIIIIIIIIINNNNNNNNGGGSSSâ€œ!!!

The Rumble Tummy Rhumba is different every time!

Would you like to listen to mine?
