Starlight

Iron Savior

Here I stand
At the crossroads of destiny
Which way to go, which road to take
The choice is on me
Lost inside my very mind
A prisoner in eternity
Time has come to be free
AgainOh how I wish
That my journey would end
To touch ground again
To descent
Starlight
Shine on me ever bright
Show me the way
Take me back
Take me home
Starlight
Mythical and ever bright
Shine on, enlighten me
Guide and release me
Starlight, take me home
From the unknownRiding high on wings of fire
Purified and released
Alive again I broke the chains
I killed the beast
Possesing me - deluting me
Tainting my soul
But once for all and forever more
I am back in control
And so the journey
Will come to an end
I'll touch ground again
I'll descentStarlight
Shine on me ever bright
Show me the way
Take me back
Take me home
Starlight
Mythical and ever bright

Shine on, enlighten me
Guide and release me
Starlight, take me home
From the unknown
Take me home
Send me a light in the dark[Solo]Leaving the boundaries
Of neverland
I am the savior until the end
Of Time
Now I am here to descentStarlight
Shine on me ever bright
Show me the way
Take me back
Take me home
Starlight
Mythical and ever bright
Shine on, enlighten me
Guide and release me
Starlight, take me home
From the unknown
