

Down on Ami Ami Oni Oni Isle

Betty Grable

Betty:

They could talk about teanie or Somoa or Cupide weâ€™ve got every other mile be a mile
Mr. Cupid really goes to town down on Ami Ami oni oni isles
Everybody feels terrific and romantically polific and you never see
A face without a smile Itâ€™s against the law to wear a frown down on Ami Ami oni oni isles
You find a pretty little hula in the pretty little hula hut sut Ow Ay!
And if your acting kind of hopeful she will hit you with a coconut sut Ow Ay!
When your underneath the banyan with a beautiful companion close your eyes and dream it up a little while
Open them and if you are in heaven itâ€™s Ami Ami oni oni islands! Ami Ami oni oni isles.

Hilo:

Oom-ba-gash-ba-gamba-Gali itâ€™s the local Mali Mali come my my eekahali for a while!
Stay a wikawow wilikawow WOW! On Ami Ami oni oni isles
When the breeze begins to blow and the skirts and to and frowning thereâ€™s a tricky little wicky in her smile!
No Melaney turns the carney down- Own on Ami Ami oni oni isles
A-ku-ka-my amalika in the pretty little hula hut sut ow ay! You honi honi papalita or sheâ€™ll bump with a coconut
sut ow ay! We eat papaya till we get papaya-I! On Ami Ami oni oni islands Ami Ami oni oni isles!

Betty:

All the girls with wicky wacky and the houses sort of stacky and the skirts a great way to style
You donâ€™t need a skapparelli gown down on Ami Ami oni oni isles
Oh youâ€™ve never heard of Jell-o Or of Abbot and Costello or that Alia-Seltzer helps you for a while
You donâ€™t need a super fessor quiz-iz! On Ami Ami oni oni isles
Youâ€™ve never heard of Mr. Gable and youâ€™ve never heard of Ginger Rogers ow ay! And you donâ€™t care abo
Yankees
You donâ€™t care about the Brooklyn Dodgers ow ay! With a lot of happy creatures cause theyâ€™re
Are no double features itâ€™s no wonder why we always wear a smile
We wouldnâ€™t know Mickey Mouse form Mickey Rooney on Ami Ami oni oni islands
Ami Ami oni oni isles.

(Music)

End: Ami Ami oni oni islands
