

Killing In the Name

La Maison Tellier

Killing in the name of
Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses

Killing in the name of

Killing in the name of

And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya
And now you do what they told ya

Those who died are justified for wearing the badge

They're the chosen whites

You justify those that died by wearing the badge

They're the chosen whites

Those who died are justified for wearing the badge

They're the chosen whites

You justify those who died by wearing the badge

They're the chosen whites

Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses
Some of those that work forces
Are the same that burn crosses
