

# Forgiveness

## Collective Soul

In my silence, I would love to forget  
Restitution hasn't come quite yet  
And with one accord I keep pushing forth  
I stretch my heart to heal some more  
It used to be all I'd want to learn  
Was wisdom trust and truth  
But now all I really want to learn  
Is forgiveness for you  
As my seasons change, I've now grown to know  
When one's heart creates, one's soul doesn't owe  
So I wash away stains of yesterday  
Then tempt my heart with love's display  
It used to be all I'd want to learn  
Was wisdom trust and truth  
But now all I really want to learn  
Is forgiveness for you  
It used to be all I'd want to learn  
Was wisdom trust and truth  
But now all I really want to learn  
Is forgiveness for you  
It used to be all I'd want to learn  
Was wisdom trust and truth  
But now all I really want to learn  
Is forgiveness for you
