

I Forgive You

OOFJ

I forgive you. Like I despise too.
I forgive you. Like I despise too. You are out in the car.
You bend by the door.
I singing through the pinhole
You just remind me. I forgive you.
Like I despise too. I forgive you.
Like I suppose to.
aaah... aah... aaa... I forgive you. Like I suppose to. Like I always do. uuh... uuuh... uuu...
aaah... aah... aaa...
uuuh... uuuh... uuu...
I forgive you.
Like I suppose to. I forgive you.
Like I suppose to.
