

# Trapline Bling (ft. Josh K)

## Fabulous

You used to call me on my trap phone  
Late night when you need those drugs  
Call me on my trap phone  
Late night when you need those drugs  
I know when that trapline bling  
That can only mean one thing  
'Cause I know when that trapline bling  
That can only mean one thing Ever since I left the city you  
You got a new connect now  
Say you got that work and you got pounds now  
I see you charged up 'cause you the plug now  
Ever since I left the city you  
Started getting money, now you got hoes  
Spending hella bands at the Louis store  
Hanging with some lames I've never seen before You used to call me on my trap phone  
Late night when you need those drugs  
Call me on my trap phone  
Late night when you need those drugs  
I know when that trapline bling  
That can only mean one thing  
'Cause I know when that trapline bling  
(Trapline bling)  
That can only mean one thing  
(Mean one thing) When the pay callin', that's bae callin'  
I played the field now I'm play callin'  
In the old days it was Jays callin'  
Now it's Lenny sayin' Jay's callin'  
And some old hoe just hit this number  
Want the wood, tryna get this lumber  
Got me sounding like X in Belly  
"How the fuck did you get this number?!"  
Know these girls love a street mogul  
That catch plays and eat noble  
With the Balmain's, knees ripped open  
And the burnout, that flip open  
Trap King, need a trap Queen  
We call that trap royalty  
If we lick together we'll be rich forever  
Call that trap loyalty

So stay down, I'ma hit you back  
Got one, tryna get two back  
Whip a Benz, tryna get two back  
Let a real nigga sit you back  
Fly you in then get flew back  
Got your ex tryna get you back  
Grab the mic, tell that bitch move back  
I would like to make a shout out to  
All my hustlers out here that just love to grind  
You gon' have to call me back another time  
Bitch I got El Chapo on the other line  
So only call me on my trap phone  
Late night when you need those drugs(Call me on my trap phone  
Late night when you need those drugs)  
I know when that trapline bling  
That can only mean one thing  
'Cause I know when that trapline bling  
That can only mean one thingCan you tell me somethin'?  
Why all on my line  
Tellin' me that I'm a liar  
Thinking I'm out with these hoes  
When I'm really at the studio  
I'm out here in these streets risking my freedom just to  
Give you a better future  
Shawty I'm out trappin'  
Which means I'm taking risks and prosperingYou used to call me on my trap phone  
Late night when you need those drugs  
Call me on my trap phone  
Late night when you need those drugs  
I know when that trapline bling  
That can only mean one thing  
'Cause I know when that trapline bling  
That can only mean one thing  
You used to call me on my trap phone
