

# Soaked (Live at Glam Nation)

Adam Lambert

Soaked to the bone  
And sink like a stone  
Walk home alone  
It's not the first time  
It's not the worst crime  
Your soul will be ok And you've had enough  
Searching for love  
And you miss the touch  
Of someone new Burned by your dreams  
It's never how it seems  
Cold crushed esteem  
Take shelter and hide forever  
Your soul will be ok And you've had enough  
Searching for love  
And you miss the touch  
Of someone new And you've had enough  
Searching for love  
And you miss the touch  
Of someone new Soaked to the bone  
Sink like a stone  
I will take you home  
It's not the first time  
It's not the worst crime  
Our souls will be okay
