

# Summer in the City

## B.B. King

Hot town summer in the city  
Back of my neck gettin` dirty and gritty  
I been down isn`t it a pity  
Doesn`t seem to be a shadow in the city  
All around people lookin` half dead  
Walkin` down the sidewalk out of their match head  
But at night it`s a different world  
Go out and find the girl  
Come on and dance all night  
Despite the heat it will be alright [Chorus:]  
And baby don`t you know that you forget it  
The day can be like the night  
In the summer in the city  
In the summer in the city  
Cool town evening in the city  
Dressed so fine and look so pretty  
Cool cat lookin` for a kitty  
Gonna look in every corner of the city  
Till I reason like a bus stop  
Running up the stairs, gonna meet you on the roof top  
But night is a different world  
Go out and find the girl  
Come on come on let`s dance all the night  
Despite the heat it will be all right [Chorus]  
But at night it`s a different world  
Go out and find the girl  
Come on and dance all night  
Despite the heat it will be alright [Chorus]  
Hot town summer in the city then again a cool town  
Evening in the city  
Than the back of my neck gettin` dirty and gritty  
Livin` in the city  
In the summer town day  
A cool town  
A cool girl  
Have fun  
Evening in the city
