

Dawn Storm

T. Rex

Dawn storm, o my dawn storm
I realize you`re blue
Please babe, o don`t squeeze babe
All that I say must be trueBaby I`m not crazy
A rush ain`t no crush it`s a trip
But learning on a journey
Ain`t no month on the sunset stripTimes they are strange and I won`t
Rearrange
No no no, not my love for you
Times they are strange and I won`t
Rearrange
No no no, not my love for you
