Mama

Eddie Peregrina

MAMA-by:(Eddie Peregrina) Mama, I missed the days when you were near beside me. Mama those happy days when you were near to guide me. Safe in the glow of your love. Sent from the heaven above. Nothing can ever replace, the warmth of hour tender embrace. Oooh... Mama, I need the days when were together once more. I'll live in these memories, until the days when were together once more. Safe in the glow of your love. Sent from the heaven above. Nothing can ever replace. The warmth of your tender embrace. Oooh... Mama until the days when we're together once more. I'll live in these memories, Until the days when were together once more. Oooh... Mama, once more...
