The Sun Rising (Norty's Spago Mix)

The Beloved

Movement outside, silence inside
Restless lovers spread your wings
As the day beginsIt's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun risingLearn to love your secret life
Still calm and gentle life
Your resolution comes too fast
Now the night is pastIt's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun risingSmiling, gliding, breathless you're riding
Love is just a state of mind
That we leave behindIt's just the sun rising
It's just the sun rising
Oh, it's shining
It's just the sun rising
It's just the sun risingLet yourself go
It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun risingIt's shining
It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
Sun risingLife, love, life, love
Life, love, life, love
Life, love, life, love
(Shining, shining)
It's just the sun rising
It's still rising, rising
Sun rising
