

The Sun Rising (Norty's Spago Mix)

The Beloved

Movement outside, silence inside
Restless lovers spread your wings
As the day begins It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun rising Learn to love your secret life
Still calm and gentle life
Your resolution comes too fast
Now the night is past It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun rising Smiling, gliding, breathless you're riding
Love is just a state of mind
That we leave behind It's just the sun rising
It's just the sun rising
Oh, it's shining
It's just the sun rising
It's just the sun rising Let yourself go
It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun rising It's shining
It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
Sun rising Life, love, life, love
Life, love, life, love
Life, love, life, love
(Shining, shining)
It's just the sun rising
It's still rising, rising
Sun rising
