Two Hearts (With Teddy Pendergrass)

Stephanie Mills

Came into my life, a stranger
You captured my heart
Now I've got to face the danger
I'm ready to startThought that I could make it on my own, all alone
I've tried so hard to fake it
Now the truth must be knownTwo hearts are always better
Together forever
Two hearts are always better
True romance we'll treasureYou've given me so much of yourself
Till I don't need nobody else
And with each passing day
My love for you grows strong in every way
You are my life, oohNever thought that love could touch me
Move me this way
Don't you ever leave me, baby
Promise you'll stayI'm so glad I got you, girl
Turned my world all around
We won't let nobody change
This love that we, we've foundTwo hearts are always better
Together forever
Two hearts are always better
True romance we'll treasureYou've given me so much of yourself
Till I don't need nobody else
And with each passing day
My love for you grows stronger every way
You are my lifeTwo hearts are always better
(Always, always)
Two hearts are always better
(Two, me and you, yeah)
(Just me and you, me and you, tell them two)Two hearts are always better
(Two hearts, always better, don't you know?)
(Baby, me and you, talkin' about two)
Two hearts are always better
(One and one makes two, hey, me and you, yeah)
(Oh, oh, yeah)Two hearts are always better
(Oh, oh, oh, oh, oh, yeah)
Two hearts are always better
(Yeah, two, don't you know? Two, yeah, two)Two hearts are always better, two hearts are always better
(Don't you know? Talkin' 'bout me and you, that makes two)

Two hearts are always better
(Always, yeah, always better girl)
(Two)
Two hearts are always better
