

# The Fifth Illusion

## Rotting Christ

Excavate the ancient tomp  
Expansion of my doom  
Converge to the empty coffin  
A kingdom under catacomb  
Furrowed background  
Self - Abnegation  
And a flute to paint the atmosphere  
The fifth illusion  
Self delusion of reality  
The fifth illusion  
Prison warder for your dreams  
A kingdom under catacomb  
Furrowed background  
Neutralize your fantasy  
Banishment  
Spiritual abusement  
His excellence  
The fifth illusion  
Self delusion of reality  
The fifth illusion  
Prison warder for your dreams
