

# Love Vigilantes (Album)

## Iron & Wine

Oh, I've just come from the land of the sun  
From a war that must be won in the name of truth  
With our soldiers so brave your freedom we will save  
With our rifles and grenades and some help from God I want to see my family  
My wife and child are waiting for me  
I've got to go home  
I've been so alone, you see You just can't believe the joy I did receive  
When I finally got my leave and I was going home  
Oh, I flew through the sky, my convictions could not lie  
For my country I would die, and I will see it soon When I walked through the door my wife she lay upon the  
floor  
And with tears her eyes did soar, I did not know why  
Then I looked into her hand and I saw the telegram  
Said that I was a brave, brave man, but that I was dead
