

# Party Girls (Feat. Wiz Khalifa & Jeremih)

## Ludacris

I came to party like tonight will never end  
Let's party again  
Let's party again  
Yea, I came to party like tonight will never end  
Let's party again  
Let's party again  
Let's party again I need party girls in my party world  
Titties plastic, ass fantastic  
They just brush my hair and touch me everywhere  
I don't say shit and they be gettin' naked  
I don't say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked, naked  
Say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked Luda! It's your world and I'ma touch wherever you want me to  
touch ya  
Pop that, pop that and you'll be bustin' them nuts when you want to bust it  
Don't rush 'em I'ma take my time and do it slow  
From the car to the counter to the bed to the couch to the tub to the flo'  
Oh! No! Could it be that a G really got you sprung?  
I lost my count baby how many times did I make ya cum?  
Run, run, run from a nigga 'til you can't no more like Forrest Gump  
Then it's more she gets, if it's more she wants  
She's spoiled rotten like bad milk  
Get her hot 'cause I make that ass melt  
She whipped 'cause she love gettin' whipped in the whip  
And I'ma black belt  
I beat the pussy to pieces, never lettin' the cat off the leashes  
And I'm goin' so deep they tellin' me all of they deepest and darkest secrets ya I need party girls in my party  
world  
Titties plastic, ass fantastic  
They just brush my hair and touch me everywhere  
I don't say shit and they be gettin' naked  
I don't say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked, naked  
Say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked Throw some ones on that  
Get you wet as a waterpark I'ma have some fun with that  
Make you come back to back you gon' bust like a gun with that  
Like pow pow, brrr, pow pow, brrr

My bitch be gettin' down nigga how 'bout yours?  
So turnt up when we in the club we don't even need a molly  
Doin' so much over in this corner thought we was fuckin' in the party  
My lung's filled with Marley  
My hands on your body  
And I'm goin' so deep  
I'm just lettin' you know that this me  
I got your face all in the pillow you can't sleep I need party girls in my party world  
Titties plastic, ass fantastic  
They just brush my hair and touch me everywhere  
I don't say shit and they be gettin' naked  
I don't say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked, naked  
Say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked I came to party like tonight will never end  
Let's party again  
Let's party again  
Yea, I came to party like tonight will never end  
Let's party again  
Let's party again  
Let's party again I need party girls in my party world  
Titties plastic, ass fantastic  
They just brush my hair and touch me everywhere  
I don't say shit and they be gettin' naked  
I don't say shit and they be gettin' naked  
I don't, I don't say shit and they be gettin' naked, naked  
Say shit and they be gettin' naked
