

# Even If

## Orange Grove

there are many seasons many days  
â€“there are many reasons and many ways  
â€“get out and live a fewâ€“  
experience something new  
â€“iâ€™m not here to pretend i know  
â€“those who do donâ€™t intend to growâ€“  
so wonâ€™t you just let it go and enjoy the ride itâ€™ll be alright

some they say the worldâ€™s bout to endâ€“  
whether they believe it or itâ€™s just pretend  
â€“one thing i just donâ€™t understand  
â€“why they waste so much time  
â€“fussin and fightin like foolsâ€“  
arguing so much without any proof  
â€“i donâ€™t think thatâ€™s time well-spent  
â€“if thereâ€™s only that much left

what if itâ€™s just all in vaneâ€“  
you put ball and chain around youâ€“  
arenâ€™t we just all the sameâ€“

and even if the waves take it all awayâ€“  
even if we donâ€™t see another dayâ€“  
youâ€™ve got to learn to appreciate  
â€“take it in before itâ€™s too lateâ€“  
thereâ€™s a breeze and itâ€™s blowin for youâ€“  
all these trees how theyâ€™re growing for youâ€“  
all these gifts natureâ€™s showing youâ€“  
youâ€™re missing out cause youâ€™re altering the truth

what if itâ€™s just all in vaneâ€“  
you put ball and chain around youâ€“  
arenâ€™t we just all the sameâ€“
