Ordinary Day

ZOEgirl

Oh, come onWoke up this morning, went to the window, saw a rainy day
Feeling the pressure from all of the things, I gotta face today
All of my days are totally crazy can't do nothing right
It's an ordinary dayEvery minute feels like an hour slowly creeping by
All of this stress, but I do my best to take it all in stride
I need to decide, need to unwind all these things are on my mind
It's an ordinary dayThings are crazy but it's alright, you make me feel alive again
When it rains you are the sunshine that lights me up from deep within
I can finally treasure this love beyond a measure
You've given me the pleasure of an ordinary day
An ordinary day, ooh, yeahPounding the pavement, another engagement
Gonna make it there on time
Hitting the side walk, hearing the small talk of people passing by
Wondering why, gotta rewind think I gotta clear my mind
It's an ordinary dayWhat are the chances I've locked glances with a passer by
Oh, this stranger must be an angel 'cause he smiled
I wonder if he knows everything I know
That there is life in an ordinary dayThings are crazy but it's alright, you make me feel alive again
When it rains you are the sunshine that lights me up from deep within
I can finally treasure this love beyond a measure
You've given me the pleasure of an ordinary day, ordinary dayThings are crazy but it's alright, you make me feel alive
You are the only real sunshine that lights me up from deep withinThings are crazy but it's alright, you make me feel alive again
When it rains you are the sunshine that lights me up from deep within
I can finally treasure this love beyond a measure
You've given me the pleasure of an ordinary day, ordinary day
An ordinary day
