

# Human Behaviour

## Vindan & The Zion Band

If you ever get close to a human and human behaviour  
Be ready be ready to get confused  
There's definitely definitely definitely no logic to human behaviour  
But yet so yet so irresistible And there's no map to human behaviour They're terribly terribly terribly terribly  
moody  
Then all of a sudden turn happy  
But, oh, to get involved in the exchange  
Of human emotions is ever so ever so satisfying And there's no map  
And a compass wouldn't help at all
