

# Mr. Blue Sky (2012 Re-Recorded Version)

## Electric Light Orchestra

Sun is shinin' in the sky  
There ain't a cloud in sight  
It's stopped rainin' everybody's in a play  
And don't you know  
It's a beautiful new day, hey heyRunnin' down the avenue  
See how the sun shines brightly in the city  
On the streets where once was pity  
Mister blue sky is living here today, hey heyMister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Mister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Hey you with the pretty face  
Welcome to the human race  
A celebration, mister blue sky's up there waitin'  
And today is the day we've waited forOh mister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Hey there mister blue  
We're so pleased to be with you  
Look around see what you do  
Everybody smiles at youHey there mister blue  
We're so pleased to be with you  
Look around see what you do  
Everybody smiles at youMister blue sky, mister blue sky  
Mister blue skyMister blue, you did it right  
But soon comes mister night creepin' over  
Now his hand is on your shoulder  
Never mind I'll remember you this  
I'll remember you this wayMister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Hey there mister blue  
We're so pleased to be with you  
Look around see what you do  
Everybody smiles at youMister blue sky
