

Eternal Idol

Black Sabbath

No one said it had to be this way
Why are we the victims of their final word?
Dying world is killing us so slowly
I believe no God may save us now Can't you see what I see?
Sinners say your prayers tonight
Your judgment day is here Child of tomorrow will die, not even born
Jesus our questions, he never seems to hear
Dying for the answers may be
The price we pay To find the key to our lives
Is there a heaven, is there a hell
Who's this God? Tell me there's no God above, why We chose what Lord
Deep within our souls, he's not one thing
Ooh, we are his spirit
We could save this world from destruction day Can't you see what I see? Can you hear me cryin'
Oh, God can you help me now? Take my hand
Oh, God take my hand You and I are victims of their word
As the master of powers try to poison our world
Greed, money taken over their souls
Just mechanical brains, politicians don't know
They just don't know, know, know, know, just don't know
