

Til The Evening

Honne

We've got nowhere to go
We've got time to waste
We've got nothing to show for it
Just a bitter taste We'll follow the sun, and the sun will go from east to west
We wanna cook on gas, but we're not alight
So we're not there yet We can go on 'til the evening, honey
And wake up in the sunshine
I wouldn't stay here, not for love or money
I'll wake up and you'll be mine
We'll run until we get there
Yeah stick it to the next man stopping us
We'll make it a better place, yeah
Yeah fingers crossed for the both of us We've got no cares in the world
No need to break a cold sweat
It ain't gonna come to us anytime soon
So we better go get We'll follow the sun, and the sun will go from east to west
We wanna cook on gas, but we're not alight
So we're not there yet We'll run until we get there
Yeah stick it to the next man stopping us
We'll make it a better place, yeah
Yeah fingers crossed for the both of us
We can go on 'til the evening, honey
And wake up in the sunshine
I wouldn't stay here, not for love or money
I'll wake up and you'll be mine
We can go on 'til the evening, honey
And wake up in the sunshine
I wouldn't stay here, not for love or money
I'll wake up and you'll be mine
We can go on 'til the evening, honey
And wake up in the sunshine
I wouldn't stay here, not for love or money
I'll wake up and you'll be mine
We can go on 'til the evening, honey
And wake up in the sunshine
I wouldn't stay here, not for love or money
I'll wake up and you'll be mine
