

There Is a Kingdom

Nick Cave & The Bad Seeds

Just like a bird that sings up the sun
In a dawn so very dark
Such is my faith for you
Such is my faith All the world's darkness
Can't swallow up a single spark
Such is my love for you
Such is my love There is a kingdom
There is a king
And he lives without
And he lives within
There is a kingdom
There is a king
And he lives without
And he lives within The starry Heavens above me
The moral law within
So the world appears
So the world appears This day so sweet
It will never come again
So the world appears
Through this mist of tears There is a kingdom
There is a king
And he lives without
And he lives within
There is a kingdom
There is a king
And he lives without
And he lives within The starry Heavens above me
The moral law within
So the world appears
Through this mist of tears There is a kingdom
There is a king
And he lives without
And he lives within
There is a kingdom
There is a king
And there is a king
And he is everything
