

# Sea Fog

Keane

The sun bleeds in, hear the magpie sing for sorrow It makes things better

Maybe we'll get to spread our wings tomorrow

If luck will let us

Can anyone fly into these grey skies? Is there somewhere I'm meant to be?

Sea fog comes, like a river rolls a stone It's rolling me

I missed my turn in the dark - I hear your voice It makes things easy

I strayed too far from the road

Wish you could always make things easy

And I won't fight through the rising tide If that's the way it has to be

Sea fog comes, like a river rolls a stone It's rolling me

Sea fog comes, like a river rolls a stone It's rolling me

Sea fog rolling, sea fog rolling, sea fog rolling
