

Fire

Humanwine

Have you seen it all?
Do you stare?
Have YOU ever been
The fire?

Simple as Water...

Simple as AIR...

Simple as earth...

Remember!

A new day is dawning
And the sun thyme is near
Old skies are graying
As you disappear
Into the fire

The legend goes
Heart is the host
1st you must be
THE FIRE

A New Day is Dawning
The sun thyme is here
Old skies are greying
And you disappear
Into the fire!

Remember Love.
Remember Home.
Remember.
Respect it!

Fire

Simple as Water.

Simple as Air.

Simple as Earth.

Remember!

Fire!
