

# Sing Song Bird

## Iron & Wine

Give me your and I will sing song bird  
Singing in other words  
Kickin' holes  
He told me about you All the boys are about to play by my rules  
And I might not fall  
And all the girls want to demonstrate  
They try to keep you there  
And in the morning I hear this song All the boys are about to play by my rules  
And I might not fall  
And all the girls want to demonstrate  
They try to keep you there  
And in the morning I hear this song
