Feelin Hypnotized (black Liquid Remix)

Colette

So whatchu you gonna to do
When it comes to you
Can you pretend
You don't feel it too?You're seeing it now
Almost every night
Hopeless days...
Till that breaking lightWe're feelin' hypnotized
Whatchu gonna do
Feelin Hypnotized
It's come to you
Feelin Hypnotized
Now every night
Feelin hypnotized
This isn't right
He promises love
And then walks away
Still comes backAlmost every day
Now do you believe
That his words are true?What does he say?
When it comes to youChorusHe never told you so
Love shouldn't feel like this
There's just too many lies
He's got you hypnotized
(X2)Chorus x2
Now say that he loves you
But look then what he does to you
Feelin' like you're hypnotized
Will you ever recognize
Real love x4
