

# Good Kind of Bad

Kestin Howard

Now Honey,  
You gotta be, the hottest thing I've ever seen  
Tell me where do you get off, lookin' like that  
Well I know the one you need,  
Nothin' but heartache and misery  
Ooooooooh, yeah, you're the Good Kind of Bad

Ooooooooh, yeah, you're the Good Kind of Bad  
I'm stuck up in the middle of somethin'  
That I can't do nothin' about  
Cause I feel myself fallin'  
I feel that ol' heart callin'  
Ooooooooh, yeah, you're the Good Kind of Bad

Now there ain't a doubt in my mind,  
That it'd be a real good time  
I can see the way you move  
You been taken 'em to school  
Well, I know when the mornin' comes  
You'll be in someone else's arms  
Girl, it's the simplest thing  
You're the Good Kind of Bad

Ooooooooh, yeah, you're the Good Kind of Bad  
I'm stuck up in the middle of somethin'  
That I can't do nothin' about  
Cause I feel myself fallin'  
I feel that ol' heart callin'  
Ooooooooh, yeah, you're the Good Kind of Bad

Awe come on now!

[electric guitar]

Ooooooooh, yeah, you're the Good Kind of Bad  
I'm stuck up in the middle of somethin'  
That I can't do nothin' about  
Cause I feel myself fallin'  
I feel that ol' heart callin'

Ooooooooooh, yeah, you're the Good Kind of Bad

Ooooooooooh, yeah, you're the Good Kind of Bad
