O Holy Night

Plus One

O holy night
The stars are brightly shining
It is the night
Of our dear Saviors birthLong lay the world
In sin and error pining
Till He appeared
And the soul felt its worthA thrill of hope
The weary soul rejoices
For yonder breaks
A new and glorious mornFall on Your knees
Oh, hear the angel voices
O night divine
O nightWhen Christ was born
O night divine
O night
O night divineTruly He taught us
To love one another
His law is love
And His gospel is peaceChains shall He break
For the slave is our brother
And in His name
All oppression shall ceaseThe King of Kings
Lay thus in lowly manger
In all our trials
Born to be our friendChrist, Christ is the Lord
O praise His name forever
His power and glory
Shall ever more proclaim
His power and glory
Shall ever more proclaimFall on your knees
O hear the angel voices
O night divine
O nightWhen Christ was born
O night divine
O night
O night divine
