

Picture Perfect

Tyler Hilton

A darkness finds I listen
To every little thing she has to say
And when I'm all but found its
Darkness that will lead my way And all she ever asks me to do is
Stay awake to see a picture perfect moon she'll give me
She ties a ribbon to and with the stars
She lets me know she's playin' with the sun
He always makes it hard for her to see me One day me and darkness
Will run away and sun will see
He should have let me take her in
The first place and Stay awake to see the picture perfect moon she'll give me
She ties a ribbon to and with the stars
She lets me know she's mine And all I ever wanted was for me and the moon to shine
And make the darkness
Stay awake to see a picture perfect moon she'll give me
She ties a ribbon to and with the stars She lets me know that
She stay awake to see a picture perfect moon she'll give me
She ties a ribbon to and with the stars
She lets me know she's mine
