

# Atomic Love

## Brimstone Howl

this is atomic lovejust a minute ago  
i was watching the show  
now we're shaking the floor  
making trouble for sure  
and we're screaming "the cure"this is atomic loveand she knows what the part is  
kiss in a shot and get started  
we're turning into an easy target  
for something outrageousi was just ready to know  
already out of control  
and i better get up for...
