

# Rich

## Yeah Yeah Yeahs

I'm rich like a hot noise, rich, rich, rich  
I'll take you out boy  
So stuck up, I'd wish you'd stick in to me  
Flesh ripped off Turnin' it, beatin' no beat  
The walls are always speakin'  
No want, no want  
No want, no speakin' at all She slipped down a rot drink unzipped  
She doesn't exist so unloved  
I took 'em standin' up  
So stuck up I'm rich like a hot noise, rich, rich, rich  
I'll take you out boy, I'll take you out boy Turnin' it, beatin' no beat  
The walls are always speakin'  
No want, no want  
No want, no speakin' at all Turnin' it, beatin' no beat  
The walls are always speakin'  
No want, no want  
No want, no speakin' at all Rich  
Rich  
Rich  
...
