

Mind Games

We Are Monroe

Verse:

you hand me out on the streets
it's been a long while
you got me off of my beat
you had me doubting my style
all in all in the heat
I had a good time
you got me up on my feet

Cause you've been cramping my stylePre-chorus

Oh I don't love the way you do letting it all out
you draw the line, I walk right through
cause your not me and I'm not youVerse:

you had me out on the streets
out for a long time
you had me out on a reach
oh you've been stealing my style
break out of the beat
I found the right time
to knock you off of my seat

cause you've been cramping my stylePre-chorus:

cause I don't love the way do letting it all out
you draw the line, I walk right through
cause you're not me and I'm not youChorus:

So why do you love me? (why do you love me?)
when I'm trying to leave you (trying to leave you)
standing beside me (standing beside me)

I wouldn't be you (I wouldn't be you)

So why do you love me?

Why do you need me?

Why do you build me up inside?

I'm standing beside you,

trying you get through,

trying to leave it all behindPre-chorus

Cause I don't love the way do letting it all out
you draw the line, I walk right through
cause you're not me and I'm not youChorus:

So why do you love me? (why do you love me?)
when I'm trying to leave you (trying to leave you)
standing beside me (standing beside me)

I wouldn't be you (I wouldn't be you)
So why do you love me? Why do you need me?
Why do you build me up inside?
I'm standing beside you,
trying you get through,
trying to leave it all behind
